## HYNES WILL MEET JOYCEAT GAIWAY GAMES

Irish Champion Rapidly Is Rounding Into Shape for His First Appearance.

"Hynes, known also as the 'Galway Cyclone,' the phenomenal long distance and cross country runner, who arrived from Ireland in New York on the Oceanic Wednesday, is now in training for his maiden run in this country at the games of the Galway Athletic Association next Sunday at Celtic Park. Efforts are being made by President Lally, of the Galway men, to bring Hynes and John Joyce together at the games, and the indications are that the match will be made.

Hynes kept himself in the background for a few days. He is a modest sort of chap, but apparently has a pile of grit. He is twenty-seven years of age, stands five feet nine inches, and hasn't an ounce of superfluous flesh. He has a perfect pair of running legs. His muscles stick out like whipcords and are as hard as nails.

Hynes first attracted attention in the running field in 1898, when he won the Irish championship of Ireland. This was a feat of thirty-one starters. Hynes was then John Daly, who finished second. Hynes' next great victory was in the race for the Southern cross country championship of Ireland. This was a feat of six miles, and Hynes came in front of a field of seventy competitors, covering the journey in the least time of thirty minutes and thirty seconds. Daly also took part in this event and was second to Hynes.

The next important event which Hynes captured, was the Junior Championship of Ireland. Hynes was also a starter, and beat Hynes five seconds in the race, winning the race after a close and exciting sprint to the finish line. Hynes attributed his defeat to his long rest.

Hynes next competed in the International Championship Cross Country race at Hamilton Park, Scotland. This was a feat of six miles, and Hynes was again a starter, and beat Hynes five seconds in the race, winning the race after a close and exciting sprint to the finish line. Hynes attributed his defeat to his long rest.

## HORSES WORK WELL AT TWO COURSES

(Special to The Evening World.)

**SHEPHERD BAY RACE TRACK.** June 5.—The clear, bright weather, that held away at the course to-day made the training hours agreeable. The track was in perfect shape and some clever moves were noted. The best workouts were as follows:

**DELHI**—115 pounds up; one and a half miles, 0:15 1-5, 0:25 1-4, 0:31 1-5, 0:51 1-5, 1:06 1-5, 1:19 1-5, 1:33 1-5, 1:47 1-5, 2:00, 2:16 1-5, 2:38 1-2, 2:42, driving. This work was in preparation for his engagement in the Standard Stakes and it was unsatisfactory to his trainer. The horse has been coughing and it is doubtful if he will start. J. Rowe, trainer.

**ISRAELITE**—110 pounds up, one and a quarter miles in 0:13 1-5, 0:20 1-4, 0:31 1-5, 0:49, 2:03, 2:17, galloping. Just a big open gallop for this fellow. He went out last mile and a quarter of Delhi's trial with him. J. Rowe, trainer.

**MYRTLE D**—115 pounds up, a half mile in 0:11 1-5, 0:25, 0:37, 0:50, easily. E. Wheeler, trainer.

**ANANIAS**—115 pounds up, seven furlongs in 1:40, breezing. Pulled up very early. J. Rowe, trainer.

**SANDY D**—105 pounds up, six furlongs in 1:12, 0:24, 0:36, 0:49, 1:03, 1:15, 1:28, 1:41, 1:54, 2:07, 2:20, 2:33, 2:46, 3:00, 3:13, 3:26, 3:40, 3:53, 4:06, 4:19, 4:32, 4:45, 4:58, 5:11, 5:24, 5:37,
